## Sugaring

Sugaring is a form of hair removal made of all natural ingredients used to pull hair right from the root.

Benefits of Sugaring include:

- No risk of burning
- No risk of pulling skin as sugar adheres only to skin cells
- Sugaring leads to permanent hair / thinning removal
- Sugaring is very hygienic

## Manicures & Pedicures

We offer a wide range of Nail Styling including higher-grade techniques such as acrylic sculpture.

Using only the finest international brands such as Essie and OPI we can make your hands and toes pretty! Call us for more.

## Radio Frequency Treatments

The Body Shape R.F. can be used on the face for a noticeable reduction of fine lines and wrinkles and skin tightening and on the body it is used for skin tightening and cellulite and fast reduction.

## Laser Hair Removal, Photo Rejuvenation & Pigmentation Treatments.

We use the patented Gem-pl system which is one of the latest technologies and is FDA approved. Our treatments are safe and effective for all skin and hair types. Noticeable results from the first treatment.

With the use of the Gem-pl system the intense pulse light technology stimulates the collagen and elastin in the skin leaving it healthier, thicker and fine lines and wrinkles reduced.

We offer a range of treatments for pigmentation with the use of the Gem-pl system (intense pulse light) to different types of peels and home care. A consultation can be arranged with one of our qualified therapists.
